**John A. Schmidt, Jr., MD Relocates His Office
and Acquires Dr. Maseda's Practice**

Spring Lake Heights, NJ, February 2, 2017 – Dr. John A. Schmidt, Jr. is pleased to announce that he has moved his office to 2006 Highway 71, Ste. 3, Spring Lake Heights, NJ 07762. This newly renovated, state-of-the-art office is on the corner of Highway 71 and Church Street across from Hoffman's Ice Cream. His telephone number will remain the same at 732-282-8166.

In addition, Dr. Schmidt has acquired Dr. Maseda's practice. Drs. Schmidt and Maseda shared the same office and staff for nearly 10 years. "When Dr. Maseda decided to retire in December 2016, it made perfect sense to me to acquire his practice," says Dr. Schmidt. "We frequently covered for each other and I am very familiar with his patients and their medical history."

Dr. Maseda practiced internal medicine in Belmar, NJ for more than 30-years and is highly regarded for the quality of care he provided to patients. "We share the same commitment to patient care," continues Dr. Schmidt. "Dr. Maseda has been a wonderful colleague and I am honored that he has entrusted me with his patients."

Dr. Schmidt received a 97 percent patient satisfaction rating in a survey conducted in 2016. "I invest the time to thoroughly examine patients and answer all of their questions. Typically, I spend 30-minutes or more with each patient. I want to ensure that patients have enough time to thoroughly discuss their symptoms and that I provide them with an accurate diagnosis."

Dr. Schmidt, a board-certified internist, received his medical degree from the University of Pennsylvania School of Medicine. He interned and completed his residency in internal medicine at the Hospital of the University of Pennsylvania. Dr. Schmidt then studied for five years at the National Institutes of Health, first as an officer in the Public Health Service working in the National Institute of Allergy and Infectious Diseases; and then as a fellow of the Arthritis Foundation in the National Heart, Lung, and Blood Institute. More information on his practice is available at www.SchmidtMD.com. Dr. Schmidt can be contacted at 732-282-8166 or JohnSchmidt@SchmidtMD.com.
